[Directing Notice Administrator to Send Reminder Letter To Potential Oyster Leaseholder Class Members That Have Not Filed Seafood Compensation Program Claims]

IT IS ORDERED that:

The January 22, 2013 deadline for filing Seafood Compensation Program claims pursuant to the *Deepwater Horizon* Economic and Property Damages Settlement Agreement is approaching. There exists a public database with contact information for persons and entities with Oyster Leasehold interests registered with the State of Louisiana. The Claims Administrator and the Parties have identified, to the best of their ability, those persons and entities listed in the public database who did not opt out of the Economic and Property Damage Settlement and who have not submitted a Seafood Compensation Program claim.

In order to provide a reminder to these potential class members of the upcoming deadline for submitting Seafood Compensation Program claims, the Court hereby directs the Notice Administrator for the Economic and Property Damages Settlement Agreement to send the letter attached as Exhibit A to these potential class members.

New Orleans, Louisiana, this 15th day of January, 2013.

The District Court entered an Order of Final Approval of the Economic and Property Damages Class Action Settlement Agreement on December 21, 2012. This included approval of the Seafood Compensation Program.

The public records indicate you may have a potential Seafood Compensation Program claim as the holder of Oyster Leasehold interest registered with the State of Louisiana.

This is a reminder that the deadline for filing an Oyster Leasehold interest claim is January 22, 2013.

Under the Seafood Compensation Program, claims by Commercial Fishermen, Seafood Boat Captains, all other Seafood Crew, Oyster Leaseholders, and Seafood Vessel Owners for economic loss relating to Seafood are subject to the deadline of January 22, 2013. Oyster Leaseholder Interest and Finfish Individual Fishing Quota Interest claims are included in the Seafood Compensation Program's \$2.3 billion distribution plan.

If you have not filed a claim and would like to do so, time is of the essence. If you are represented by an attorney, you should consult your attorney before filing a claim. If you have already filed a claim, you can check on the status of your claim with the Deepwater Horizon Claims Center.

You can file a claim form online at www.deepwaterhorizoneconomicsettlement.com or by visiting a Claimant Assistance Center (a list of their locations and hours is available on that website). You also can call the Deepwater Horizon Claims Center at 1-866-992-6174 for help, or email the Center at questions@DeepwaterHorizonEconomicSettlement.com.

Sincerely,
