The St. Bernard Parish School Board is thrilled to hear of the possibility of a \$300,000 donation for the remediation and preparation of the land for our new Lacoste Elementary School. As you know, the school is currently being built on the site of the old St. Mark Elementary School, which is in the middle of the Murphy Oil Spill area.

In accordance with the spirit of the donation, the St. Bernard Parish School Board will set aside a piece of land on the corner of Mumphrey and Missouri Streets measuring approximately 85' X 85' for use as a monument/memorial for the victims of the oil spill. The school system will retain ownership of the land and agree to maintain the monument/memorial for the enjoyment of the residents of the community.

Should you require additional information, please contact me by phone (504) 818-8930 or e-mail dvoitier@spbsb.org

Sincerely,

Doris Voitier
Superintendent
